NEWS LETTER

Electronics and Telecommunication, BVCOE

Lab visit to SAMEER lab at IITBombay

On the occasion of National Science Day, SAMEER lab had organized an open lab visit for the engineering students to showcase their work in the domain of microwave engineering and RF technology on 28th February 2019.

HDFC CREDILA SEMINAR

Electronics and tele- communication Students Forum (ISF) organized a one day seminar on higher education and career guidance named as "IMS PROSCHOOL SEMINAR" on 6th February 2019. It was Seminar organized for Third Year students of our Electronics and Telecommunication Department.

ENDEAVOUR WORKSHOP

Electronics and tele- communication Students Forum (ISF) organized a one day workshop on higher education and career guidance named as "ENDEAVOUR WORKSHOP" on 5th February 2019.

Cisco Certified Network Associate Routing and Switching Certification

Electronics and Telecommunication students Forum (ISF) organized a four day workshop on "Cisco Packet Tracer" on 24th September to 27th September 2018. from 9:30 AM to 5PM. It was the workshop organized for the Final Year students of our Electronics and Telecommunication department.

PCB WORKSHOP

IETE Students Forum (ISF) organized two day Workshop on "PCB Designing" on 1st October 2018, from 3.00 PM to 5PM for Third Year Students of electronics and Telecommunication. TE-EXTC Students Mr. Shubham Mhatre and Mr. Kaustubh Mokal were the speakers of the workshop. More than 50 students attended this workshop

PYTHON WORKSHOP

The department of Electronics and Telecommunication had organized a three day workshop from 3rd Oct 18 to 5th Oct 18 on PYTHON in collaboration with IIT-Bombay for the students of final year. It was a remote assisted and hands-on workshop conducted for full day workshop from 9.00 am to 5.00 pm

Rubicon's Connect to Work

Electronic and Telecommunication students Forum (ISF) organized a three day workshop on "Rubicon's Connect to Work" on 4th October to 6th October 2018, from 9:30 AM to 5PM. It was the workshop organized for the Final Year students of our Electronics and Telecommunication department.

COVERAGE OF WORKSHOP

Department of Electronics and Telecommunication of Bharati Vidyapeeth College of Engineering had organized a one day workshop on "Basics of Arduino" for the students of FE/SE/TE of all branches. The workshop was conducted under the guidance of Prof. Sonali Sahu , Prof. Rajashree Thakree,Prof. Nitin Ingle and Prof. Shekhar Mane.

MINI-PROJECT EXHIBITION

On 30th March 2019 a Project exhibition was conducted by the department of Electronics and Telecommunication organized for the students of the respective department. To show their creative projects to the faculty and students.

WORKSHOP

On 23rd,25th and 26th March 2019 a Workshop on Electronic Hardware,Troubleshooting and PCB Designing was conducted by the department of Electronics and Telecommunication organized for the students of the respective department. Inauguration of the Workshop was carried out by Dr. P.A Kharade.

Social Visit to SHANTIVAN ASHRAM

A social visit under IETE Student Forum to Shantivan Ashram Nere (near Panvel) and Annasaheb Sahasrabuddhe Adivasi Ashram School was organized by Staff Co-ordinator Prof S.D.Jadhav, Prof. S.R.Wategaonkar, Prof R.B.Mohite, Prof D.S.Raskar , Prof.M.J.Salunkhe and the other teaching and non-teaching staff members of Electronics and Tele-Communication Department along with the Student Co-ordinator Nandini Raul and her team on 11th March 2019.

PCB WORKSHOP

Date 1/10/2018

The Printed Circuit Board Workshop was conducted on 1st oct 2018 for the third year students. The event was successfully organized by Mr. Shreyash Narayane, Mr. Kaustubh Mokal, Ms. Sanika Mohile and Mr. Shubham Mhatre-students of third year, under the guidance of Prof. Rajendra Mohite and Prof.Nitin Ingale. The program was a way for the TE students to get familiarized with the PCB and it's Designing.The workshop was arranged in room no.230.The students got familiarized with the steps and process involved in designing a PCB from the scratch.

PLUTO-DRONE WORKSHOP

Date 23/08/2018

The department of Electronics and Telecommunication had organized a two day workshop on "Pluto-drone workshop" from 22nd August to 23rd August, 2018 for students in association with We Can Educational Organization (WEORG) with Dalvik Apps and Drona Aviation, IIT-Bombay.The workshop covered topics lik Introduction to Physics of flying objects,Dynamics of Aerial Systems,Stability and Control,World of Sensors,H/w and S/w requirements for System concluding with the flying session.Speakers were Mr.Amit Thool and Mr.Gaurav Singh.The workshop was co-ordinated by Dr.Swati Jha,Pof.Rajashree Thakare,Prof.Sonali Sahu.

FACULTY DEVELOPMENT PROGRAM BY RELIANCE JIO

A Faculty Development Program was organised by ExTC department in association with Reliance JIO from 8th-10th August 2018. The speakers were Ms. Abhilasha Surve and Mr. Amar Pathak from Reliance Jio. The program was conduced by Dr. Swati Jha, Prof. Rajashree Thakare, Prof. Sonali Sahu.

Sr.no	Professional society	Activity	Level-Institute\state\National\International	Date	Class	Details (resources, Venue,level etc)
1	IETE	HACKTECH	INSTITUTE	21st August 2018	BEET	Mr. Rizwan Shaikh-File Securing Techniques Network Security IP allocation methods
2	IETE	CCNA WORKSHOP	INSTITUTE	24th September 2018 to 27th September	BEET	Mr.Yogesh Hudale Department-The basic concept of networking, routing, protocols.
3	IETE	PCB WORKSHOP	INSTITUTE	1st October 2018	TEET	Students of TEET-The basics of PCB Design and its uses
4	IETE	PYTHON WORKSHOP	INSTITUTE	3rd October 2018 to 5th October 2018	BEET	Online Workshop in association with IIT Bombay
5	IETE	RUBICON'S "CONNECT TO WORK"	INSTITUTE	4th October 2018 to 6th October 2018	BEET	Miss.Needhi Shah-The importance of the Interpersonal Skills,Group discussions, Body language,Work ethic etc.
6	IETE	Basics of Arduino	INSTITUTE	8th October 2018 & 9th October 2018	FE/SE /TE	Main focus of the workshop was to give hands on practical with Arduino uno board.
7	IETE	ENDEAVOUR WORKSHOP	INSTITUTE	5th February 2019	TEET	Mr. Jupin The importance of MBA course in-detail to the Third Year Students
8	IETE	IMS PROSCHOOL	INSTITUTE	5th February 2019	TEET	Mr. Shahid Khan Explained the importance of Data analysis course in-detail to the Third Year Students.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION

VISION

To nurture budding Electronics and Telecommunication engineers to suit diverse sectors of technology, research and entrepreneurship.

MISSION

To provide quality engineering education for overall development of students and to motivate them for higher studies and research.
