NEWS LETTER

Electronics and Telecommunication, BVCOE

Visit of faculty to Miki Pulley India Pvt.Ltd, Taloja , Navi Mumbai On 20th June 2019

Prof.T.N.Sawant, Prof. M.M.Bulhe, Prof. Amina Qazi, Prof.Swati Patil and Prof Z.V.Thorat visited Miki Pulley India Pvt.Ltd, Taloja on 20th June 2019. Miki Pulley India Private Limited is a Non-govt company, incorporated on 03 Nov, 2012. company"s authorized capital stands at Rs 200.0 lakhs. Miki Pulley India Pvt. Ltd. has made a name for itself in the list of top suppliers of Coupling in India.

One day Industrial Visit to BSNL, Yeoor, Thane

A one-day industrial visit was recently organized on 5th March 2020 by the Electronics and Telecommunication Department of BharatiVidyapeeth College of Engineering, Navi Mumbai to Satellite Earth Station, Yeoor

Guest Lecture on Importance of Internship

n this session the speaker Mr.Vinay Raikar briefed the students about importance of Internship. He also discussed about the internship opportunities in various industries. He also talked about how internships are useful to get jobs in future. The lecture was scheduled on 14/01/2020

Workshop on Internet of Things: 21st-22nd January 2020

As a part of IOT Challenge 2020, a workshop on IOT was conducted at Bharati Vidyapeeth College of Engineering, Navi Mumbai in association with i3indya Technologies and IIT Bombay Aakaar on 21st-22nd Jan 2020.

Seminar on GATE preparation & its opportunities

The speaker Mr. Rohit D.Phalke is from GATE forum which is the largest organization in the field of GATE training, with a presence in more than 50 countries. He explained the students an overview of various aspects of GATE exam and after cracking the exams what are the options available like higher studies and jobs in PSUs such as BHEL,IOC,NTPC,BPCL,BARC,HPCL etc. that are available for Electronics and Telecommunication students.

Guest Lecture on Embedded system, Networking & Data Science

Date: 23rd January 2020

In this session the speaker briefed the students about basis of switch, RFID and IOT. He also discussed about the job opportunities in networking and data science domain in future. He also spoke about these domains in details like relating data science with Artificial Intelligence which is its future and what scope is.

Electronic Hardware, Troubleshooting and PCB Designing

During this workshop students improved their practical knowledge as well as they did their IV semester mini project as manufacturing of LED tube lights and its implementation in the department. This task results in to Rs.3000/- Save in the Electricity bill per month. Due to this workshop students applied engineering in very smart way.

"Blood Donation Camp 2020"
8th January 2020

On the occasion of bith anniversary of our honorable founder, Late Dr. Patangrao Kadam, Bharati Vidyapeeth college of Engineering, in association with MGM Hospital, Kamothe had organized Blood Donation Camp in the department of Electronics and Telecommunication on 8th January 2020. The venue chosen was room no. 230 of Electronics and Telecommunication Department.

Guest Lecture on DBMS

n expert lecture was organized on 10th February 2020 on database management system Mr. Hardik Jain who works as a developer at GEP guided the students. Database management system is important because it manages data efficiently and allows users to perform multiple tasks with ease.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION

VISION

To nurture budding Electronics and Telecommunication engineers to suit diverse sectors of technology, research and entrepreneurship.

MISSION

To provide quality engineering education for overall development of students and to motivate them for higher studies and research.
