Bharati Vidyapeeth College of Engineering, Navi Mumbai organized Guest Lecture on “Awareness of the Drug Abuse-Addiction and Cyber Crime” for the First year Engineering students. Lecture was conducted on 10th of February 2020 at 3:00 pm in Seminar hall which is enlightened many young minds and was delivered by high level authority of Police Department, Parimandal-2, Panvel, Navi Mumbai.

The program was initiated by welcoming the dignitaries and was felicitated by the Principal Dr. S. D Jadhav and HOD's Dr. S. M. Patil (IT Dept.) Dr. J. J. Kadam (Applied Science Dept.). It was followed by an inspiring lecture by the guest ACP Vitthal R. Damgude sir, who highlighted on the importance of the hard work, dedication and also convinced the students not to get depressed by failures as they are part and parcel of our life. He also put forward the principles set by Dr. A.P.J Abdul Kalam and urged the students to live upto their dreams and acknowledged them about their responsibilities towards their nation.

In Next session Dr. Ajit B. Magdum sir was present movie focusing on how the initial liking towards consuming toxic substances instantly turns into addiction shed bright light on young budding minds and it was followed by the oath taking program wherein students agreed to say no to drugs and yes to life. Then he was highlighted some of the toxic chemicals used in the drug and its long lasting ill effects on human body. He also explained some of the symptoms of drug-addicts and explained how the rehabilitation centre works to de-addict a person.

A student-teacher interactive programme was conducted by Dr. Prashant S. Lokhande Sir regarding the social media possessed to the youth upon, misusing it. He also illustrated the techniques used by the non-ethical hackers and the extent to which they can mishandle anyone's account. He also stressed the preventive measures to be taken to avoid potential scams, which was the most liked session among the three.

Lastly, the program organizer thanked the guest for giving their effective guidance to students which left a positive mark in their hearts and the program was concluded effectively.
